### **'Popular' Girl Disappears**

Sophie Andrews was reported missing Tuesday morning and her whereabouts are still unknown.

At this point and there are no strong leads as to the reason for her disappearance. Her mother Patricia Andrews said, 'all we want is our baby back. If you are reading this Sophie, please come home. You're not in trouble for running away. Your family loves you and is desperate for you to come back.' When asked whether there was any reason why Sophie would disappear so unexpectedly, her father, Peter Andrews said, 'She had no reason to run away. We just want her to come back.'

It was confirmed that Sophie's window was found open when her parents came back home. Detective Inspector Carrow, leading the case, commented, 'we aren't ruling anything out because we don't have enough evidence to support any claims. If anybody has any information regarding Sophie's disappearance we urge you to come forward and contact us so you can help bring her back safe and sound.'

Sophie is 15 years old and described as 5ft 4in, slim, has long brown hair and brown eyes. Anyone with information can call the National Missing Persons' helpline on 0500 700 700, or Essex Police on 01268 351412.

Calls are treated in the strictest confidence.
